

International Society for Environmental Information Sciences

TRANSFER OF COPYRIGHT AGREEMENT

Publication: _____

Title of article: _____

Author(s): _____

This transfer of copyright agreement transfers the copyright to this unpublished work from the authors to the International Society for Environmental Information Sciences and constitutes the terms of the agreement as described below.

- Copyright Transfer. The undersigned hereby transfers copyright in the work to the International Society for Environmental Information Sciences.

- Authors' Responsibilities. The authors warrant the following: a) The work is original with the authors. b) The work in no part violates the copyright or other rights in any other work. c) The work has not been published and is not being considered for publication elsewhere.

- Authors' Rights. The authors retain the following rights in the work: a) All rights of ownership other than copyright. b) The right, after publication by the International Society for Environmental Information Sciences, to include this work or parts of this work in the authors' derivative work, such as compilations, other publications, and personal or employer's web sites. c) The right to make copies of and distribute the work for educational purposes and for the internal use of the authors' employer.

Author's Signature

The author who signs below warrants that he or she is authorized to represent all the authors of this work in making this copyright agreement.
